

## Chilly and The Blue Notes

1

Early one morning  
Chilly said to Egg Drop Sue  
Many folks play music  
Can I play music too?

2

Of course, you can she said  
You can start today  
With a little practice  
You will learn to play

3

They went to a music store  
Instruments were everywhere  
Chilly was excited  
All he could do was stare

4

Tubas, Trumpets, Trombones  
Things to beat and strum  
Chellos, Oboes, Xylophones  
Flutes, Guitars, and drums

5

Hello said the salesman  
How can I help today  
Chilly sadly said  
I don't know how to play

6

The salesman said to Chilly  
This is your lucky day  
Pianos are on sale  
We'll find you one to play

7

I think you'll like this Upright  
So much music for its size  
Chilly said I'll take it  
Much to his surprise

8

Chilly went right home  
Told his friends about his plan  
They said we want to play with you  
Together as a band.

9

Paula Penguin had a six-string  
Chilly watched her strum  
Walt De Walrus said I'll play too  
They watched him beat his drum

10

Cheddar strummed a blue guitar  
On bass was Silver Spoon  
Everyone began to play  
But each a different tune

11

The music sounded awful  
They all began to laugh  
We must play together  
and read from the same staff

12

Chilly said I know a song  
A song we all can play  
A song about a Muffin Man  
The song begins this way

13

*Do you know the Muffin Man*  
It's in the key of G  
One by one they joined in  
the band was filled with glee

14

Chilly played the *Muffin Man*  
Till it became a bore  
One by one they fell asleep  
They all began to snore

16

Chilly looked around  
No one was close at hand  
Everyone had left him  
He did not have a band

17

Chilly struck the keys  
No music did they play  
Chilly said it's broken  
My music's gone away!

18

What is wrong said Chilly  
He called out to Egg Drop Sue  
She smiled and said to Chilly  
I know just what to do

19

My friends a music teacher  
Melody is her name  
Sue called her on the phone  
To Chilly's house she came

20

Melody played the keys  
Each note was pure and strong  
She called out to the notes  
Please tell me what is wrong

21

One by one the notes appeared  
Each one sat on its key  
Their leader looked at Chilly  
The note was middle C

22

Nothing's wrong with us  
The problem is with him  
Each time we finish Muffin Man  
He plays the song again

23

Full notes, half notes, quarter notes  
The Sharps and Flats joined in  
We won't play the "Muffin Man"  
Not ever once again

24

We won't play Muffin Man  
We used to love that song  
Now it is the only one  
He plays it all day long

25

We want to play a Cha Cha  
or a Waltz for Egg Drop Sue  
Jazz of course we love  
Rock and Roll will surely do

26

Melody clapped her hands  
She said I understand  
Chilly only plays ONE song  
That's why he lost his band

27

Chilly is just learning  
The hard ones he can't do  
Get the band together  
I know songs for you

28

Melody said to the band  
I know why you were mad  
Now let's work together  
With songs that make you glad

29

Chilly said I know more songs  
"Row Your Boat" is grand  
"London Bridge Falling Down"  
They did not please the band

30

Melody said to Chilly  
Those songs are still too bland  
Tom Petty's Heartbreakers  
Have songs to please your band

31

We can play "FREE FALLING"  
Said Silver Spoon with glee  
The notes are easy too  
The starting note is D

32

That's a JAM said Walter  
He jumped up off the floor  
The drum part is amazing  
BPM is eighty-four!

33

"I WON'T BACK DOWN" said Cheddar  
"AMERICAN GIRL" said Sue  
There are so many Petty tunes  
We'll learn them thru and thru

34

Now everyone is pleased  
The band is very tight  
The blue notes now are happy  
Making music every night
